It's happening!!!! Yes, we're finally going to be getting a directory! We have set a deadline for ourselves to have our church directory printed, and plan to be able to put them in your hands by Rally Day (Sep. 23, 2018)

Over the next several weeks you can have your informal family picture taken after Sunday service for use in the directory. Photos are free! They will be informal and taken by Lisa Hochgraf and Sarah Williams. A schedule of appointments will be in the community room. You will also be asked to fill out a form with the information you'd be willing to share in a directory (phone numbers, address, etc.). The photos will also be placed in the hallway to update photo wall.

This will be a self published project and we will do our very best to make this as inexpensive as possible so that every family can enjoy a printed directory. We will also create a free pdf file that you can have emailed to you.

If you already have a family picture you'd like to use, that's great! Simply email it to [swilliams2442@gmail.com](mailto:swilliams2442@gmail.com), or hand off to Sarah Williams to be scanned, and hand in the information form.
